VEGETABLES						
1		arugula	Esmee	OG JSS	30	quick growing and cold tolerant.
2		bean, bush, green	Provider	OG HM	50	early and dependable, uniformity suits canning.
3		bean, bush, yellow	Rocdor	OG JSS	52	early and productive 'wax' bean.
4		bean, pole, mix	mix of 3 varieties	- -	55-72	Mix of Blue Coco OG (FED), Monte Gusto (JSS), and Seychelles OG (FED)
5		broccoli, head	Belstar	OG JSS	65	well suited for summer harvest, good side-shoot production.
6		brussels sprouts	Dagan	OG JSS	100	tall plants.
7		cabbage, green	Farao	OG JSS	65	3 lb heads are slow to split.
8		cabbage, napa	Bilko	OG JSS	54	transplant after temps have settled at 50 deg.
9		cabbage, red	Integro	OG JSS	85	4-5 lb heads.
10		beet	Early Wonder Tall	OG HM	60	early and quick growing, open-pollinated.
11		cauliflower, white	Tessaury	OG HM	72	6-7" heads, uniform, self-blanching.
12		celeriac, root	Balena	OG JSS	95	celery root, vigorous.
13		celery, stalk	Tango	OG JSS	80	tolerates heat and moisture stress.
14		chard, rainbow	Improved Rainbow	OG HM	60	related to beets, chard has that earthy spring flavor.
15		collard, green	Champion	OG HM	41	open-pollinated and productive.
17		corn, popcorn	Dakota Black	OG HM	81	6-7 ft, tall plants, dark kernels for popping.
18		corn, sweet	Allure	OG HM	75	6-7 ft, bicolor sweet corn, 8" slender ears.
19		corn, sweet	Montauk	CV JSS	81	large ears of bicolor sweet corn.
20		cucumber, lemon	Lemon	OG HM	58	round fruits resemble lemons in appearance.
21		cucumber, pickling	National Pickler	OG HM	42	5" fruit, productive, open-pollinated, disease resistant.
22		cucumber, slicing	Marketmore 76	OG JSS	55	8-9" fruit, dark green skin, high disease resistance.
23		eggplant, globe	Diamond	OG HM	70	classic shape, short season variety.
24		eggplant, long	Pin Tung	OG HM	70	Long fruits on compact plants, heirloom.
25		fennel, bulb	Preludio	OG JSS	60	suitable for summer harvest.
26		husk cherry	Goldie	OG JSS	75	sweet and zesty. golden fruits with paper husks.
27		kale, green	Winterbor	CV JSS	46	tall, cold hardy plants.
28		kale, lacinato	Lacinato	OG HM	50	dinosaur kale.
30		kale, red	Red Russian	OG JSS	50	tender leaf even at maturity.
31		kohlrabi, green	Konan	OG JSS	30	2-3 inches in diameter.
32		leek, heirloom	King Richard	OG JSS	75	early season leek.
33		lettuce, head, green	Bergam's Green	OG JSS	51	uniform, dense heads, good disease resistance.
34		lettuce, head, red	New Red Fire	OG JSS	42	slow growing red head lettuce.
